- Free legal fees cover the conveyancer's standard professional charges relating to the remortgage when using one of our panel managers. Further details can be found [here](#).
- Subject to product/property type, home mover only.
- If your client is increasing their borrowing, the maximum LTV for standard repayment remortgages is 90%, unless your client is consolidating debts or paying off a non-Help to Buy second charge, in which case the maximum is 80%.

## Fixed and Tracker Mortgages

Fixed and tracker rates are limited offers and may be withdrawn at any time. All mortgages have a range of flexible features to help your clients manage their mortgage in a way that suits their lifestyle. Overpayments and underpayments are available but subject to conditions. Free valuation and free standard legal fees for Home Mover and Remortgage customers.

## Tracker Mortgages

The rate your client pays is directly linked to movements in the Bank of England Base Rate (BBR). The BBR rate that's been applied to the rates in this guide can be found above each Tracker Rate table and is correct at time of going to print. All of our tracker products reserved after 12 June 2009 have a floor of 0.00%. This means that if the Bank of England Base rate were to fall to 0.00% or less during the tracker period the rate payable will be 0.00% plus the agreed set percentage above the Bank of England base rate. This means that the rate payable will never go below 0.00% plus the additional percentage rate of the tracker mortgage.

## Early Repayment Charges (ERC)

	Fixed Rate Deal Period			
	2 years	3 years	5 years	10 years
Year 1	2.00%	3.00%	5.00%	6.00%
Year 2	1.00%	2.00%	4.00%	6.00%
Year 3		1.00%	3.00%	6.00%
Year 4			2.00%	6.00%
Year 5			1.00%	6.00%
Year 6				5.00%
Year 7				4.00%
Year 8				3.00%
Year 9				2.00%
Year 10				1.00%

For products reserved on or after the 1 December 2022, the percentage charge payable will reduce year on year during the product deal period, as detailed in the ERC table. ERCs don't currently apply to tracker rate products. For products reserved prior to this date, please refer to the client's mortgage offer. A maximum overpayment allowance is only applicable if an ERC applies to the product. Where a product has no ERC, there is no maximum overpayment allowance. ERCs aren't applied when on BMR/SMR.

## Additional information

The product reservation is valid for 90 days from reservation. On the 91st day the product expires unless an offer has been issued. To continue with the case, a new product must be reserved and new product/booking fees must be paid (where applicable). For fully submitted applications please use the 'Amend Case' option in NFI Online or call the mortgage service centre. Cases that are at DIP/Product Reservation stage must be rekeyed.

A product fee may be payable depending on the product selected. Some products are available without a product fee. If you recommend this option your client will pay a higher rate of interest over the deal period compared to the product fee option.

If you recommend the option with the product fee they can pay this when they apply or they can add it to their loan, the total of the loan plus the fee mustn't exceed the client's affordable amount. If they add this fee to their loan they will be charged interest on it during the term of the loan.

Please note that if you reserve a product for your client, but your advice changes and you reserve a different product, they'll receive a full refund of the product fee (if one was paid). The client will be charged a product fee (which may be added to the loan) for the second product reserved.

Should your client need to change their property post submission of their full mortgage application, then a new application will be required. This will require payment of a new product reserved from the rates available at the time of re-application. Please note that fee refunds can take up to 2 weeks. We reserve the right to request the product fee should the mortgage not complete.

Nationwide mortgages reserved on or before 29 April 2009, or 30 May 2009 for the Derbyshire Building Society or 14 June 2009 for the Cheshire Building Society will revert to the Base Mortgage Rate (BMR) at the end of the initial term. If your client chooses to switch to a new Nationwide mortgage product, the new product will currently revert onto our Standard Mortgage Rate (SMR). The SMR will apply to Dunfermline Building Society mortgages. Both are variable rates which we may vary in accordance with our mortgage terms and conditions. However, the BMR is guaranteed to be no more than 2% above the Bank of England base rate, whilst the SMR has no upper limit or cap. If your client chooses to switch to a new product, it's not possible to switch back to the BMR at a later date.

Former Portman Building Society mortgage customers whose mortgage product was taken out before 28 August 2007 or whose mortgage is now on or linked to the Nationwide Base Mortgage Rate should refer to their mortgage conditions for details of the flexible options and product features that apply to their mortgage. The product features listed in this brochure refer to new Nationwide mortgages.

# How the client's Loan-To-Value (LTV) affects the max loan size

The tables below show the maximum lending limits for purchases and remortgages dependant upon the circumstances of the application.

Please note: LTVs are tiered and the tables show the maximum LTVs if products are available at that LTV and loan amount.

If more than one LTV limit detailed below is applicable to your application, the lowest LTV shall apply.

## New Build Property Type LTV limits

<b>New Build Flats</b>	85%
<b>New Build Houses</b>	95%
