Fixed and tracker rates are limited offers and can be withdrawn at any time. The actual rate available will depend upon your client's circumstances.

^Cashback will be paid per account and is payable to customers within one month of completion of the mortgage. This cashback will be in addition to any Flexclusive mortgage cashback rewards and only applies to customers whose product was reserved on or after 27 July 2016.

No standard valuation fees on all purchase and remortgage products.

†Remortgage products that include the cost of a standard valuation and £250 cashback.

‡Remortgage products that include the cost of a standard valuation and the cost of standard legal fees (using a Nationwide Conveyancer). Please visit our <u>Legal Costs</u> section for full details of what legal fees Nationwide will and won't cover.

<sup>\*</sup>Maximum LTV. Please ensure you refer to the current <u>lending LTVs</u> as borrowing limits and restrictions may apply. Products may not always be available up to the maximum LTV displayed above. Maximum loan size refers to the aggregate of all loans. Subject to criteria.

At the end of the deal period all fixed and tracker rate mortgages will revert back to our SVR, the fully flexible Standard Mortgage Rate (SMR) mortgage - currently 3.74% (variable). The SMR has no upper limit or cap.
