11. Use of my information

Use of my information

This is a summary of how Nationwide uses your personal information, if you'd like a more detailed explanation, please see Nationwide's full privacy statement 'How Nationwide uses your information', available in branch or online at nationwide.co.uk/privacy

1. We collect and use your information so we can offer and manage your accounts, confirm your ID, prevent fraud, provide services to you, collect and recover debt and run our business.
2. We share your information as necessary within Nationwide, with our suppliers and with any third parties you've asked to act on your behalf. Information is shared with our insurance partners when applying for a Nationwide insurance product or it is a benefit of your account (e.g. FlexPlus).
3. If the law requires or allows us to, we'll also share information as necessary with other organisations. This includes credit reference agencies, fraud prevention agencies and other government bodies, regulators and law enforcement agencies.
4. When we share your information with credit reference agencies they'll use this to check your credit rating, along with the other details you've given us. These checks are part of most account application processes – however, they will leave a record on your credit file that other lenders can see. This might affect your ability to get credit elsewhere for a short while.
5. When we share your information with fraud prevention agencies they will use the data to prevent fraud and money laundering and verify your identity. If we believe someone poses a fraud or money laundering risk, we may refuse to provide the product they have asked for and we may also stop providing services they already have. The fraud prevention agencies will keep a record of any fraud or money laundering risk and this could mean that other organisations may refuse to provide services, financing or employment.
6. When we transfer information to third parties and organisations, whether inside or outside the UK, we'll make sure we only give them information that's necessary and that your data will stay secure.
7. We may, if applicable, give the Intermediary who introduces this mortgage application to you, a copy of any offer we make or the reason for declining the application, a copy of any valuation we ask to be carried out, details of any complaints you make before completion and any other information we consider necessary to process your application through to completion.
8. We only use your information if we have a legal basis to do so, for example, if you have given us consent or if we need to use the information to meet our obligations to you in our terms and conditions. We may also use your information if necessary to comply with the law or to carry out our legitimate business interests.
9. By making this application, I'm confirming that the other applicant, if applicable, has agreed to share a financial relationship with me. Also, that they're happy for Nationwide to authorise searches, and for links and/or recordings of their information to be made with credit reference agencies.
10. You have certain rights when it comes to your personal information including the right to access your data. Further details on these rights and who to contact are available in branch or online at nationwide.co.uk/privacy

By signing this application, I agree to the declaration. If applicable, I also agree to be bound by the terms of your charitable assignment scheme provided to me in my application, which means I will not receive a bonus if Nationwide converts to a bank.

CHARITABLE ASSIGNMENT

THE FOLLOWING WORDING APPLIES TO YOU UNLESS:

(1) YOU WERE A MEMBER OF THE SOCIETY ON 2 NOVEMBER 1997 AND HAVE CONTINUED TO BE A MEMBER EVER SINCE THAT DATE; OR

(2) YOU FALL WITHIN A SPECIAL CATEGORY OF PERSONS TO WHOM OUR CHARITABLE ASSIGNMENT SCHEME DOES NOT APPLY.

By applying to open an account after 2nd November 1997, you also apply to be a charity member of The Nationwide Foundation ('the Foundation') unless you are already a charity member.

You agree that, if:

- the account is opened by the Society and you are or become a charity member of the Foundation; and
- the Society subsequently enters into an agreement to transfer the whole of its business to a company,

you will assign to the Foundation (or any charity(ies) nominated by it, but to no other person) all rights to or in connection with any conversion benefits to which you would otherwise become entitled as a member or depositor at any time before, or within two years, after your membership of the Society comes to an end.

You make this agreement:

- (a) with the Society (acting for itself and for the benefit of the Foundation), in return for the Society opening the account you are applying for, and you acknowledge that the Foundation may enforce the benefit of your agreement with the Society under the Contracts (Rights of Third Parties) Act 1999; and
- (b) with the Foundation directly, in return for the Foundation granting you charity membership (if you are not already a member).

This agreement means that, without any further notice to you:

- the Society may make over to the Foundation (or to any charity(ies) nominated by it) any such conversion benefits; and
- the Foundation may exercise all your rights in relation to any such benefits.

You understand that this agreement is irrevocable and cannot be amended or varied without the consent of both the Society and the Foundation and that neither the Society nor the Foundation will release you from this agreement.

You understand that (except in the case of any class of person where the Society considers this to be inappropriate) the Society will require on behalf of itself and the Foundation that all applicants for share and mortgage accounts agree to the above condition (or a condition having substantially the same effect), unless the Society decides and announces by press release that it is no longer in the best interests of the Society to do so generally on a continuing basis. Any such decision by the Society would not have retrospective effect and you would continue to be bound by the above condition.

For this purpose:

'conversion benefits' means any benefits under the terms of any future transfer of the Society's business to a company (i.e. on conversion or takeover) except the statutory right to have shares in the Society (including any balances on share accounts) converted into deposits with the company; and 'Society' means Nationwide Building Society and, if it merges with any other building society, includes such other society.

By signing this application, I agree to the declaration. If applicable, I also agree to be bound by the terms of your charitable assignment scheme provided to me in my application, which means I will not receive a bonus if Nationwide converts to a bank.

I hereby authorise Nationwide Building Society to obtain a reference(s) from any Mortgagee/Landlord/Accountant named in this application and details of my employment from my current or previous employer(s).

Further, I hereby irrevocably authorise the Society to obtain all such information regarding my Equity ISA/Endowment/Pension and any insurances referred to in this application.

I authorise any lender with whom I hold a mortgage or loan account to provide Nationwide with repayment figures for all my outstanding loans or charges on my property and to release the title deeds and documents to Nationwide upon their request.

I confirm that where fees are collected by credit/debit card that this is with my authority for payment, having originally provided details to you.

I understand that these credit card details will not be retained after the payments have been taken.
